

SPRING DAY CAMPS

Almaden Spring Break Camp

No school? No Problem! Join us for a fun filled week of exciting games, challenging sports, and creative craft projects. We will also be heading to Sky High Sports, where every floor and wall is a trampoline! Are you ready for a fantastic week? Register today as space is extremely limited! Campers are required to provide their own lunch and water everyday. A newsletter, listing the week's activities and trip information, will be distributed the first day of camp. Separate liability form for Sky High Sports needs to be filled out by parent/guardian the first day of camp. For parents who need it, after camp care is available, and is included in cost. The after camp care will feature low-key art and recreation activities. Camp Hours: 9:00am-3:00pm. After camp care if needed): 3:00-5:00pm. Field Trip 4/16: Sky High Sports

Camp San José Spring Break

Camp San José will provide children the opportunity to engage in a full day of fun activities that consist of the following: arts and crafts, games, sports, special events, science activities, build positive relationships, meet new friends, and much more.

Not all programming is offered at each center.

Eco Camp

Learn about the environment and the natural world around us! The camp will have hands on learning, discovery, and ecology activities. Participants will have fun learning about the environment through science education, hiking at Vasona Park (if weather permits), nature crafts, games and smores. Campers are required to bring their own lunch and water every day. Extended camp care available for all campers.

Eco Camp Extended Care

Learn about the environment and the natural world around us! The camp will have hands on learning, discovery, and ecology activities. Participants will have fun learning about the environment through science education, hiking at Vasona Park (if weather permits), nature crafts, games and smores. Campers are required to bring their own lunch and water every day. Extended camp care available for all campers.

Robotics Camp- Beginner

Robotics Camp introduces young people to the fun and excitement of science and technology while building knowledge and self-confidence. Participants will learn how to build and program different types of robots using LEGO NXT robotics kits. Our expert instructors will help them develop brainstorming and problem solving skills, and will give them a taste of what the FIRST LEGO League is all about. This is an introduction to LEGO robotics, so no prior experience with Lego's or computers is required.

Robotics Camp- Intermediate

If you previously attended the Beginners Lego Robotics Camp, this intermediate level camp is for you! After a brief review of the LEGO Mindstorms NXT building, brainstorming, and programming skills you've already learned, you will discover how to creatively use programming, sensors and robot attachments to make your robot solve complex missions. You will design and program your own vehicle-style robot to master FIRST LEGO League (FLL) challenges from the most recent competition season. See firstlegoleague.org for more information about the FIRST LEGO League.

Spring Break Inventors Camp

This camp is an innovative approach to help your child build their confidence and creative mind through science, play, and discovery. They will have an opportunity to create a variety of projects and even apply what they've learned to make a tasty treat at the end of the week. *For a full-day of camp M/W/F only, you may also enroll your child in the Magic Camp.

Spring Break Magic Camp

ABRACADABRA! Transform yourself from an apprentice to a master magician in five short days. Learn basic magic tricks using everyday objects found around the house. Everyday your child will learn a new magic principle and then a magic trick based on it. At the end of the week, the class will perform a magic show, and each student will receive a magic wand diploma. *For a full-day of camp M/W/F, you may also enroll your child in Robotics Camp.

After Care Camp AM/PM Care

The evening times extends camp for parents who need care after camp hours.
